

Map 14 - Copper Center OTE ASLS 79-42

USGS Quad Valdez D-4 and Gulkana A-3, Alaska

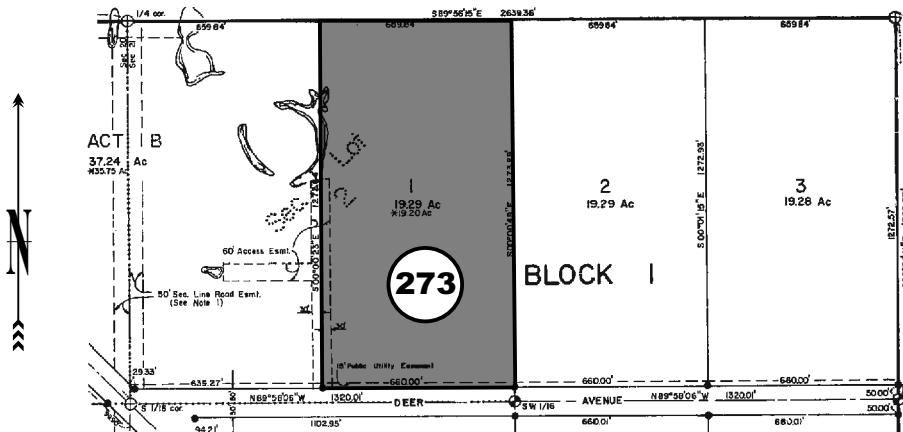

Vicinity Map

Township 3 North, Range 1 West,
Sec. 21, 27, 34
Copper River Meridian, Alaska

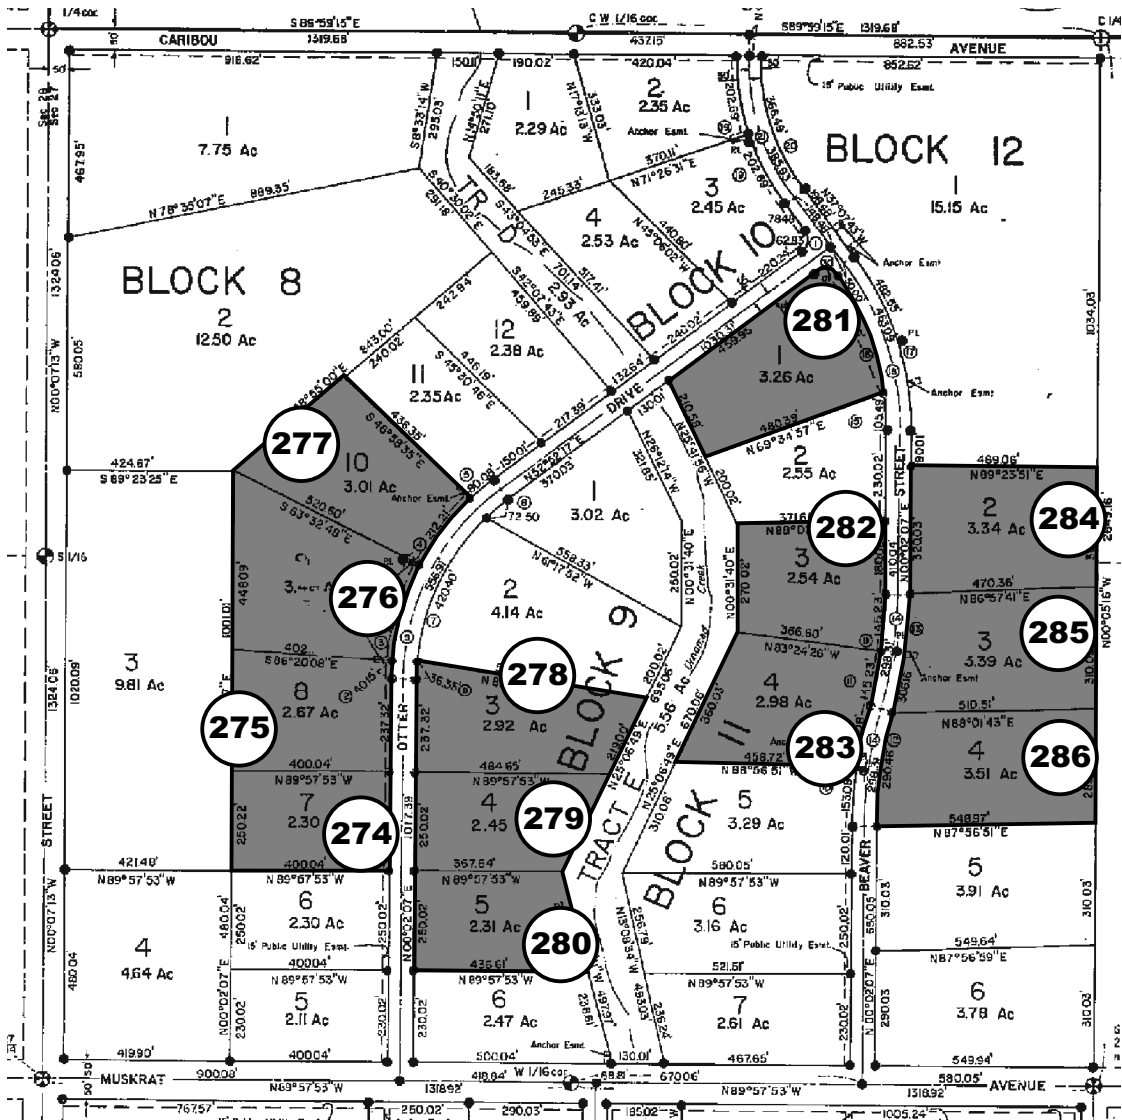

Location	Located in the Copper River Valley approximately 2.5 miles northwest of Copper Center and approximately 7 miles south of the intersection of the Glenn and Richardson Highways. The subdivision is bound on the west by the Alyeska pipeline and on the east by the Richardson Highway.
Topo Map	USGS Quad Valdez D-4, Gulkana A-3
Access	Access is by foot, A.T.V., or snowmachine along platted easements or rights-of-way.
Terrain	Low rolling hills and creek valleys covered by spruce forests and dotted with small lakes and muskeg formations.
Soils	Soils are alluvial in nature, sandy or gravelly silt material, and include extensive formations of permafrost.
Vegetation	Vegetation consists of black spruce forests with scattered stands of aspen and willow.
Water Front	None
View	Unknown
Climate	Temperatures in the area average 42 to 68 degrees F in summer and -16 to 35 degrees F in winter, with extremes between -64 and 91 degrees F. Annual precipitation is 11 inches including 39 inches of snow.
Water Source	Water in this area may be of poor quality and quantity and may have to be hauled.
Water/Sewage Disposal	No individual water supply system or sewage disposal system shall be permitted on any lot unless such system is located, constructed and equipped in accordance with the requirements, standards and recommendations of the Alaska Department of Environmental Conservation. Approval of such system as installed shall be obtained from said authority.
Utilities	Unknown
Restrictions	Subject to platted easements and reservations, see ASLS 79-42. All lots subject to a 15-foot utility easement along rights-of-way frontage.
Municipal Authority	None
Homeowners Assoc.	None
Other	Located within the Copper River Basin Area Plan.

Sec. 21

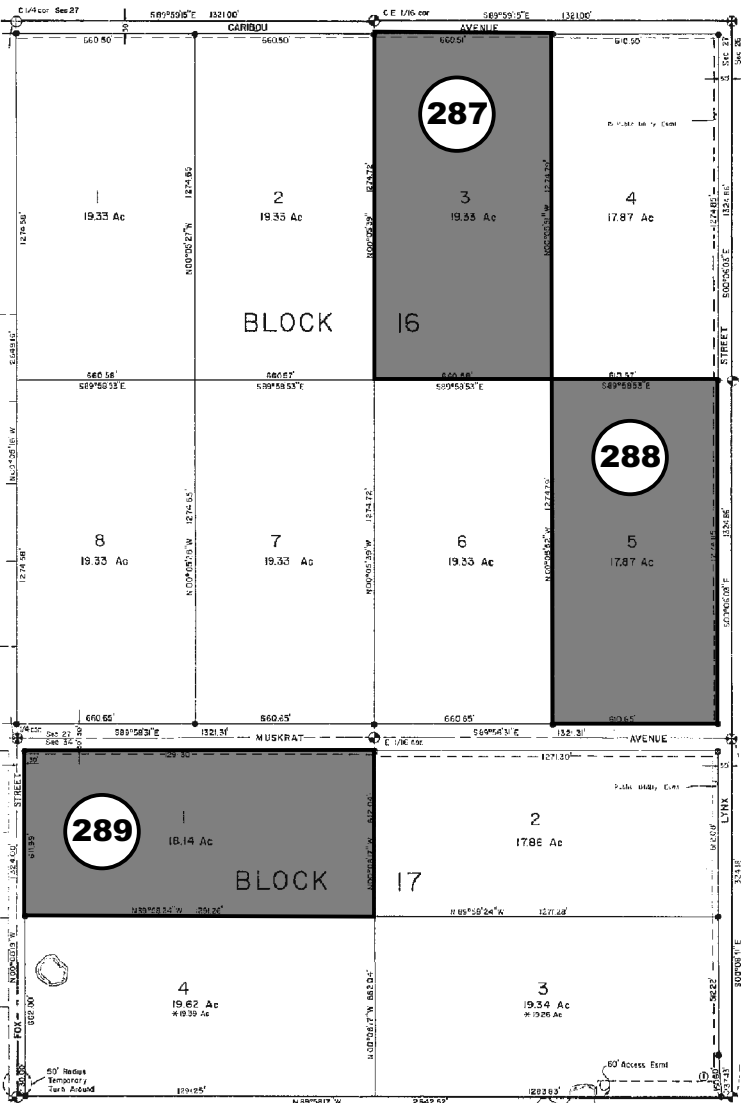

Sec. 27

Note: It is the responsibility of the purchaser to review recorded subdivision plats/maps, surveys, and plat notes for specific information on easements, building setbacks, or other restrictions that will affect any individual parcel being offered. Information is made available at the Department of Natural Resources Public Information Offices or on the web at: www.dnr.state.ak.us/landrecords.

Sec. 27, 34

Access: The location of legal access to a subdivision may be obtained from the DNR Public Information Office nearest the subdivision. It is the responsibility of all purchasers to properly locate themselves on legal rights-of-way or section line easements when crossing both public and private lands.

Veteran's Land Discount

The Veteran's Land Discount described in this section cannot be applied to parcels acquired in the Veteran's Preference Sale. Per AS 38.05.940, eligible veterans may receive a **25 percent discount** on the purchase of state land. This Veteran's Land Discount may only be used **once** in an applicant's lifetime.

Veteran's Discount Qualifications

To be eligible, a veteran must submit proof, acceptable to the department, that he/she:

1. Is 18 years of age or older at the date of sale;
2. **Has been a resident of the State of Alaska** for a period of not less than one year immediately preceding the date of sale (see Residency Requirement);
3. Has served on active duty in the U.S. armed forces for at least 90 days, unless tenure was shortened

due to a service-connected disability or due to receiving an early separation after a tour of duty overseas (use Form DD 214); and

4. Has received an honorable discharge, or general discharge under honorable conditions.

For the purposes of this program, armed forces are limited to the United States Army, Navy, Marines, Air Force, and Coast Guard. Service in state National Guard units, the Alaska Territorial Guard, as well as Army, Navy, Marine, and Air Force Reserve service may also be included, provided the applicant can document the accumulation of 90 days of active duty service. A Form DD 214, Report of Separation from Active Duty, or the equivalent, showing the character of the discharge and length of active duty must be submitted. Interested veterans are encouraged to request their Form DD 214 well in advance of the auction.

The Veteran's Land Discount may be applied only to acquisition of surface rights to the land. **It may not**

be applied to survey and platting costs, or other costs reimbursable to the state. These reimbursable costs will be subtracted from the purchase price before the discount is calculated. The reimbursable cost per acre or lot is listed in the table on page 7.

Successful bidders who qualify for the Veteran's Land Discount **must apply for the discount at the time of the award notification.** The amount of the discount will be deducted from the principal sum of the sales contract or from the purchase price if the purchase price is paid in full.

For a purchase to be made jointly with another, both purchasers must be eligible veterans. Under these circumstances, only one 25 percent discount will be given and both veterans will have exhausted their once-in-a-lifetime land discount.

At right is an example of how a Veteran's Land Discount would be calculated for a 3.349-acre parcel with reimbursable costs of \$959 per acre; if the bid price were \$14,000.00:

VETERAN'S DISCOUNT CALCULATION			
Per Acre Reimbursable Cost	\$	959.00	
"X" Parcel Size (Acres)	x	3.349	
Total Reimbursable Cost	\$	3,211.69	
Bid Price	\$	14,000.00	\$ 14,000.00
Less the Reimbursable Cost	\$	-3,211.69	
Amount eligible for discount	\$	10,788.31	
25% Veteran's Discount Rate	x	0.25	
Veteran's Discount	\$	2,697.08	\$ -2,697.08
Discounted Purchase Price (Bid Price Less Discount)			\$ 11,302.92
Less 5% bid deposit of the full purchase price (<i>do not submit a bid deposit based upon the discounted purchase price</i>)			\$ -700.00
Balance Due			\$ 10,602.92

Reimbursable Costs for Calculating Veteran's Discount
